Hundreds of people have availed themselves of the opportunity offered by WOOD, HARMON & CO., through the sale of the preferred shares of the United Cities Realty Corporations, to secure an investment of more than ordinary merit. These shares are guaranteed to pay 5 per cent on the amount of money invested and one-half of all profits the company is able to make. The investment is secured by the best income-producing city real estate that experts can buy.

WOOD, HARMON & CO. have an honorable business record of over thirty years and conduct the largest real estate business in the world. Their reliability can be ascertained of ANY bank or mercantile agency.

Of those who might be interested we simply ask an investigation of the company and its methods of doing business. An inquiry addressed to, or a call at, the office of the undersigned will give fuller particulars as to

# PERNIN SYSTEM EASILY LEARNED

The Pernin System of Shorthand is the most easily learned, the simplest, most legible and rapid in use. It is a non-position, non-shading and connective vowel system. In it no arbitrary word signs are used. The confusing and discouraging elements common to other systems have been avoided in the building of this. It is one of the new systems, and is constantly superseding the older and more complicated ones in our leading schools and colleges throughout the country.

Insamuch as this is a connective vowel system with no arbitrary word signs, it is applicable to foreign languages also. Owing to the great possibilities of the system, Pernin Shorthand writers are in great demand as government stenographers and court re-
